In a moment like this
With our lips engaged in a kiss
I'm thinking about how lucky I am
Just being here with you, yes I do, baby
'Cause to me
You are the essence to affection
So it is with the outmost affection that
I'm standing by your side
That's forever baby

You are the flower
The flower of my heart
A treasure, I'll always keep you safe from harm
I will try my best to
Make you smile again
'Cause you've got a smile that
Brightens up my well

Yes, I know
There's been times when I was the reason
For those precious tear that roll on your face
And I'd tear my soul to replace them
Yes, I would, baby
For another
Glimpse of joy in your eyes
Yes, I'd give all I got, just to hold you close
And to let our love flow 'til sunrise
Just one more time, baby

You are the flower
The flower of my heart
A treasure, I'll always keep you safe from harm
I will try my best to
Make you smile again
'Cause you've got a smile that
Brightens up my well, yea

And that's how it goes down
That's why wrote you this song, yeah
I wrote so if times get rough
You'll remember more than the nasty stuff
You'll remember how we laughed and play

And how we used to kiss the nights away
Girl, there ain't nothing in this world I'd rather do
Yeah, than loving you

(You are the flower)
The flower of my heart
A treasure, I'll always keep you safe from harm
And I swear that when you're sad, I
I will try my best to
Make you smile again
'Cause you've got a smile that
Brightens up my well

You are the flower
The flower of my heart
A treasure, I'll always keep you safe from harm
Yes, you are the flower of my heart
The flower of my heart
