GOT TO BE YOU
(Peter Kvint/Helienne Lindvall)

I got summer on a winter's day
And no matter what they tell me
I know things will go my way
Can't stop smiling
Why would I try?
Every time that you're around
It's just a natural high

Baby, there's no sunshine but I don't mind
I still feel that it's got to be you
Baby, it's no mystery
It's no fantasy
My guess is it's got to be you
That's the way that I'm feeling
Oh, it's got to be you
Can't you hear my heart beating?
It's got to be you

Every day's like the 4th of July
I see fireworks go off and now they're lighting up the
sky
I can hear the angels singing
I guess they all can see
All the joy and happiness
That you're bringing out of me

Baby, there's no sunshine but I don't mind
I still feel that it's got to be you
Baby, it's no mystery
It's no fantasy
My guess is it's got to be you
That's the way that I'm feeling
Oh, it's got to be you
Can't you hear my heart beating?
It's got to be you

It's got to be you, girl
I know it's got to be you
