Oh, grace has been shown to me  
Eversince I was born  
Brought up by a loving mother  
Never missing a piece of bread  
(I never was hungry, no)

Oh, grace has been shown to me  
Eversince I was born  
Learned to sing, learned to play  
with my friends  
A bright future was all I saw

Life has taught me to be wise  
I know I'm not alone  
There's got to be a way for us  
To spread some love and care

I am here  
I've got something to give  
I am here  
I want to share what I've got

I am here...

Oh, grace has been shown to me  
Eversince I was born  
Travelling all around this great world  
I have seen what is beautiful

Life has taught me...

I am here...
