If you don't know me by now
You will never never never know me
Ooh
All the things
that we've been through
You should understand me
Like I understand you
Just trust in me
Like I trust in you
As long as we've been together
It should be so easy to do
Oh, just get yourself together
Or we might aswell say goodbye
What good is a love affair
When we can't see eye to eye
If you don't know me by now
You will never never know me
No, you won't, no, you won't
If you don't know me by now
You will never never know me
