Hey girl, I saw you for just a sec  
You didn't have the time to chat but that's cool  
I'd really like to know some more about your specs  
So if you'd like come let's chill for awhile

I can't forget your smile  
Puttin' me on a natural high

So let's get a little closer ,tighter  
'Cause I'm so into you, can't I reach you  
And if it feels alright, We'll keep on all night  
I'm so into you

Know what? I feel kinda disoriented  
Whenever you're around I feel intoxicated  
But in a good way like I'm high on life or sometin'  
You wanna go out tonight 'Cause you know:

I can't forget your smile  
Puttin' me on a natural high

So let's get a little...
