Cold - We were shivering
Dark - Couldn't see the light
Scars - Fragile naked bodies
Demons - Circling in our minds

Oh, I can tell
We've been working on
A body proof shell

Age - Saw a human rise and fall
Travail - Giving birth in pain
God - Promised us a sanctuary
Death - Really meant the last goodbye

Relations - Used to bring us heartaches
Love - Was the source of many tears
Relations - As opposed to isolation
Love - A primitive desire

Oh, I can tell
We've been working on
A soul proof shell

Isolation
Isolation - Sometimes a deliberate action
Isolation - Leading us astray from what we originally
were meant to be
Isolation - Leading us astray

Oh, I can tell
We've been working on
A soul proof shell

Cold - Don't you feel apart now?
Dark - Think it's time to start a fire
Scars - I don't want a heart in armour
Demons - Freedom to our minds

Relations - Don't back down on this one
Love - Crack a hole in your shell
Relations - As opposed to isolation

Love - A primitive desire
