I don't wanna hear you say goodbye
Again and tell me not to worry
I don't wanna hear you lie

I don't want to hear you say I'm sorry
I wanna hear you don't mean it
I don't wanna hear you lie

All I ask of you is just listen
I've got something you've been missin'
I was thinkin':
All this mess we're in, can't you see
How you hurt me, how you hurt yourself?

This is more than I can take
We argue all through summer
I don't wanna hear you lie

Mesmerized and hypnotized by your beauty
I caught a dream then lost it
So, shoot me
I don't wanna hear you lie

All I ask of you...

Rumours I've heard
I don't know what to believe
You should have turned to me instead of someone
elses bed
How long will you keep me on a hold?
