I'm whisteling in the wind  
As I'm leaving the garden  
Heading for nowhere  
I'm just killing time

I'm shutting all the light out  
With my Ray Ban shades  
My back is clear, I break no rules  
I'm just killing time

Killing time  
until time finally kills me  
Killing time  
until time finally kills me

Baby don't you worry  
Don't have to plan my life  
It doesn't matter where I am  
I'm just killing time  
(And I might as well do it from here)

There're so many places I'd like to see  
And things I'd like to be  
But I can wait, baby there aint no hurry  
Baby there aint no hurry

'Cause if there's one thing in this world that I'm good  
at.  
That's killing time

Killing time...

I'm whisteling in the wind  
As I'm leaving the garden  
My back is clear, I break no rules  
I'm just killing time

Killing time...
