I found a guitar the other day  
With only five strings  
I still wanted to play  
Sweet music burning inside of me  
Sweet music

I found a guitar the other day  
With only four strings  
I still wanted to play  
Sweet music burning inside of me

There's got to be some playing  
If you want my company

I found a guitar the other day  
With only three strings  
I still wanted to play  
Sweet music burning inside of me  
Sweet music

I found a guitar the other day  
With only two strings  
I still wanted to play  
Sweet music burning inside of me

There's got to be some playing  
If you want my company

I don't know if you figure  
What I plan to do  
I want to pull the trigger  
Yes, I want to play with you  
I don't know if you figure...

There's got to be some playing  
If you want my company

I found a guitar the other day  
With only one string  
I still wanted to play  
Sweet music burning inside of me

There's got to be some playing  
If you want my company

I don't know if you figure...
