Don't cross that line, I warn you
Don't come too close to me
I have this zone around me
And it's protecting me

You have to ask permission
Before you enter here
There's something strange about it
When surrounded I get scared

Don't cross that line
It's my territory
Don't cross that line
No enter I am sorry

I'm not that kind of person
Who's like an open book
Give me some time and I'll show you
Then you may have a look

It's not that I don't like you
Oh, please just try to see
It's not too much to ask for
To have some privacy

It's my territory
Don't cross that line
It's my territory
Don't cross that line
No enter I am sorry

Yeah, I'm sorry
