When you question me
For a simple answer
I don't know what to say, no
But it's plain to see
If we stick together
I know it will come to you, yeah
So don't surrender
'Cause you can win
In this game called love

When you want it the most
There's no easy way out
When you're ready to go
And your heart's left in doubt
Don't give up on your faith
Love comes to those who believe it
And that's the way it is

When life is empty
With no tomorrow
And loneliness starts to call
Baby don't worry
Forget your sorrow
'Cause love's gonna conquer it all

When you want it the most
There's no easy way out
When you're ready to go
And your heart's left in doubt
Don't give up on your faith
Love comes to those who believe it
And that's the way it is
