Bye bye, bye bye
It's a relief to be heading for the ground
Been breathing vacuum, sucking on a stone
For some time now, Bye bye

Bye bye, bye bye
Years of devotion and conviction
There never was a sacrifice too great
For my noble aim, Bye bye

This is the happiest day of my life
An unexpected change of direction
This is the happiest day of my life
You pushed me off the branch
and I learned to fly

Bye bye, bye bye
Was walking on a very thin line
Never reflected
on the abyss beneath my feet
But I'm free now, Bye bye

This is the...

A zero G experience
No struggle, no strive
I'm going down
And finally the story ends
Another's to begin
Lord, I'm hungry

This is the...
