Oh yeah, what we're living in
Let me tell you
It's a wonder that man can eat at all
When things are big that should be small
Who can tell what magic spells we'll be doing for us
And I'm giving all my love to this world
Only to be told
I can't see
I can't breathe
No more will we be
And nothing's going to change the way we live
Cos' we can always take but never give
And now that things are changing for the worse
See, ooh, it's a crazy world we're living in
And I just can't see that half of us immersed in sin
Is all we have to give these

Futures made of virtual insanity
now always seem to,
be governed by this love we have
For useless, twisting, all our new technology
Oh, now there is no sound
For we all live underground

And I'm thinking what a mess we're in
Hard to know where to begin
If I could slip the sickly ties that earthly man has made
And now every mother
Can choose the colour of her child
That's not nature's way
And it's so insane
To synthesize another strain
There's something in these
Future's that we have to be told

Futures made of virtual insanity
now always seem to,
be governed by this love we have
For twisting, twist, all our new technology
Oh, now there is no sound
For we all live underground

Oh baby

Virtual insanity is what we're living in
If it is alright
