(Pussylover)

I was born to do the show

You were born to give me blow

Blow and hash is all I need

Satisfaction guaranteed

Come on get it on

Come on turn me on

Come on get it on

Come on

Cause I'm an international pussylover

I was born in Mexico

Tequila rock'n roll

Chicks and coke is all I need

Hard erection guaranteed

Come on get it on

Come on turn me on

Come on get it on

Come on

Cause I'm an international pussylover

I was born at the casino

Roulette of rock'n roll

Cash and dope is all I need

Superaction guaranteed

Come on get it on

Come on turn me on

Come on get it on

Come on

Cause I'm an international pussylover
