My Maria, don't you know I've come a long, long way
I been longin' to see her
When she's around she takes my blues away
Sweet Maria, the sunlight surely hurts my eyes
I'm a lonely dreamer on a highway in the skies

Maria
Maria, I love you

My Maria, there were some blue and sorrow times
Just my thoughts about you bring back my piece of
mind
Gypsy lady you're a miracle work for me
You set my soul free like a ship sailing on the sea
She is the sunlight when skies are gray
She treats me so right, lady, take me away

My Maria
Maria, I love you
My Maria
Maria, I love you

My Maria
Maria, I love you
