Some put me back on the streets to the modern life  
Hey forget to back on the streets to the modern life  
cause' i feel like somebody else, yeah you know what i mean  
Hey to be back on the streets to the modern life,life,life

yeah the moment you came back in my arms, didn't didn't didn't like ,oh life!(x2)

i've been searching for myself my entire life  
that's right!

i'm walking back as a fool my entire life  
cause' i feel like somebody else, yeah you know what i mean  
Hey to be back on the streets to the modern life,life,life

yeah the moment you came back in my arms, didn't didn't didn't like ,oh life!(x2)  
watch out!

well the moment you came back in my arms.  
life give me life!(x5)

Now that i'm back in your arms, life!!
