I don't know what I did
But most bein' a fool
I got no excuses
So I wrote this song for you

Whatever the reasons did you come to say goodbye
I'm hoping for one more try
I want to change your mind

So I pick up the pieces
I swallow all my pride
I don't wanna wake up feeling this emptiness inside

Did it spin you around
Did it turn you upside down
I wonder when you found out I'm a waste of your time

So don't give up on me (don't give up on me)
I never meant to steal your smile
I haven't seen it for a while

Don't don't give up on me (don't give up on me)
Just try to understand
I can be your better man

I tell you once just don't give up on me

I tell you once just don't give up on me

And now I feel I'm out of place
I look for you on every stranger's face
I don't think I can do this any more
Don't think I do this any more

And every little things just falls apart
From the very first that day I broke your heart
It only makes me want you more and more
Just like before

Coz you're spinnin' around
And now you turn me upside down
I never meant to be a waste your time

So don't give up on me (don't give up on me)
I never meant to steal your smile
I haven't seen it for a while

Don't don't give up on me (don't give up on me)
Just try to understand
I can be your better man

I tell you once just don't give up on
Me and before
If you're not that alone
What am I supposed to do?

I tell you once just don't give up on me
Baby say you won't give up on me.
