Jimmy you know
Everybody hates you when you're living off rock 'n' roll
So you get high tonight

And Jimmy you lied
I wonder if you ever get yourself back here alive
So you get high tonight

'Cause you don't need nobody
To make it on your own
You don't need nobody
You'd rather be alone

So Jimmy gets high tonight
And Jimmy gets high tonight
I must confess I'm a real live wire
Jimmy, you and me, we get along a while
Jimmy gets high tonight

Jimmy you lied
I'm hoping that soon maybe life it don't pass you by
So Jimmy gets high tonight

And Jimmy you know
Everybody hates you when you're living off your rock
'n' roll
So you get high tonight

'Cause you don't need nobody
To make it on your own
You don't need nobody
You'd rather be alone

So Jimmy gets high tonight
And Jimmy gets high tonight
I must confess I'm a real live wire
Jimmy, you and me, we get along a while
So Jimmy gets high tonight

I've been so confused
And I just hope it all gets banned to you
So Jimmy gets high tonight

I must admit I'm a real live wire
Jimmy, you and me, we get along a while
So Jimmy gets high tonight

And I hope it will be all right
Jimmy gets high tonight
And I hope it will be all right

Jimmy you know
Everybody hates you when you're living off your rock
'n' roll
So you get high
