Take me down ...

Tonight, I'll walk
Sit down and let me know my rights
Tell about, tell about someone else
I know it, I know it
This time is suspect there are
I talk and give me you the time

[Chorus:]

So spare time and talk with me
I'll do anything you want so suddenly
But I don't know, All I can think about is you

What words I have?
Take time, we've spoken sixty-five
S'all about , s'all about someone else
I know it, I know it
This time, I've suspect stolen dollar
I talk with you this high

[Chorus]

Come and talk no tears
Come and talk no tears
Come and talk no tears
Come and talk no tears, tears

Tears I could swear
Wasn't thinking right -
Wasn't there
As for me, asking you
Unbelievable, what'cha do?

Tears I could swear
Wasn't thinking right -
Wasn't there
As for me, asking you
Unbelievable, what you know I making wrong?

And spare time and talk with me
I'll do anything you want so suddenly

[Chorus]
