I was made the wrong way  
won't you do me the right way  
where you gonna be tonight  
'cause I won't stay too long

maybe you're the light for me  
when you talk to me it strikes me  
won't somebody help me  
'cause I don't feel too strong

Was it something that I said  
was it something that I did  
or the combination of both that did me wrong

You know I'm hoping you'll sing along  
Though it's not your favorite song  
don't wanna be there when there's nothing left to say  
you know that some of us spin again  
when you do, you need a friend  
don't wanna be there when there's nothing left for me  
and I hate the thought of finally being erased  
baby that's the best of me

Everything's behind you  
but the hope still stands beside you  
living in every moment  
have I wasted all your time

Was there something that I said  
was there something that I did  
or the combination I broke that did me have

You know I'm hoping you'll sing along  
though it's not your favorite song  
don't wanna be there when there's nothing left to say  
you know that some of us spin again  
when you do, you need a friend  
don't wanna be there when there's nothing left for me  
and I hate the thought of finally being erased  
baby that's the best of me  
baby that's the best of me

You know I'm hoping you'll sing along  
though it's not your favorite song  
don't wanna be there when there's nothing left to say  
you know that some of us spin again  
when you do, you need a friend  
don't wanna be there when there's nothing left for me  
and I hate the thought of finally being erased  
baby that's the best of me
