So first time when I saw you sing,
You were standing all alone.
Cowboy boots and tight blue jeans,
Something that I have to please.
Singing songs about lost love,
Made me wanna give you some.
Standing there all by yourself,
I think that I just fell in love.

Oh... Oh oh oh...

'N' I got home I fell to sleep,
Dreaming of the girl to keep.
Got so drunk I hardly knew,
What I even said to you.
Now I'm laying in my bed,
Smoking cigarettes with Fred.
Singing songs about that night,
Last time when I saw you sing.
