Driftin' on my own.  
Driftin' on my own.  
Well I saw you, waiting 'long the way,  
Keeping me informed.  
How you wanna know, when I'm leaving.  
Open that door, 'n' keep me waiting,  
And I know you know, I wont be leaving.

Driftin' on my own.  
Driftin' on my own.  
Yes I saw you coming through the rain,  
Wanting me to stay,  
How you wanna know, when I'm leaving.  
Open my home, 'n' see me standing,  
And you know I know, I wont be leaving.

Driftin' on my own.  
Driftin' on my own.  
Driftin' on my own.  
Driftin' on my own.
