Your sayin' you love me, yeah,  
'N' don't know what to do.  
Your sayin' you need me, yeah,  
'N' don't know what to do.

Ohh, ohh yeah...

Your sayin' you need me, yeah,  
Ya don't know what to do.  
Your sayin' you love me, yeah,  
'N' don't know what to do.

Your sayin' you love me, yeah,  
Don't know what to do.  
Your sayin' you need me, yeah,  
Don't know what to do.

Ooooo... 'cause it,  
Feels so good to be inside of you,  
It feels so good to be inside of you,  
It feels so good to be inside of you,  
It feels so.  
It feels so good to be inside of you,  
It feels so good to be inside of you,  
It feels so good to be inside of you,  
It feels so.
