Wake Up Eyes The Sun Is Here
Cloudy Days Are Nowhere Near
Does It Feel The Same For You
To Mean So Much To Me
I'm Suprised That No Else
Has Come Along And Stole Your Heart
There Would Be Nothin More For Me
If You Were Never There
It'll Be You When The Money Is Right
It'll Be You When The Bank Is Tight
It'll Be You When The Sun Comes Up
It'll Be You When The Day Turns Night
Quiet Girl From The Old Country
Sweet Lit Eyes That Hold Me In
Skin So Soft That you'd Have To Touch
To Feel The Way I Do Ooo Ooo
I'm Suprised That No One Else
Has Come Along And Stole Your Heart
There Would Be Nothin More For Me
If You Were Never There
It'll Be You When The Money Is Right
It'll Be You When The Bank Is Tight
It'll Be You When The Sun Comes Up
It'll Be You When The Day Turns Night
It'll Be You Cause Your So Damn True
It'll Be You No One Does It Like You
It'll Be You Who Can Break My Heart
It'll Be You Never Be Apart
It's Something That I can't Explain
We Were Meant To Be
You Make Our Home So Beautiful
There's Nothin More I Need
It'll Be You...

Wake Up Eyes The Sun Is Hear
Cloudy Days Are Nowhere Near
Does It Feel The Same For You
To Mean That Much To Me
To Mean That Much To Me
It'll Be You When The Money Is Right
It'll Be You When The Bank Is Tight
It'll Be You When The Sun Comes Up
It'll Be You When The Day Turns Night

It'll Be You Cause Your So Damn True
It'll Be You No One Does It Like You
It'll Be You Who Can Break My Heart
It'll Be You Never Be Apart
