Many miles away from here,  
In Wichita Kansas.  
Lived an older man named Moses,  
With a brother named Elijah.  
Oh Elijah lost his eyesight,  
So Moses stamped the garden.  
When the flowers started blooming,  
He put them on the table.

Oh Nyquil, I know this much is true,  
All I wanna do is sing the blues with you.  
Oh Nyquil, I know this much is true,  
All I wanna do is sing the blues with you.
