Leaving this morning, I've got to go.
I'm not so sure that I want you to know,
Where I am going and when I'll be back.
It's a one man mission as well, this is it.
I've got some snacks and I've got supplies.
Got one pre-rolled if you get to survive.

And I don't mind,
As long as there's a road that I can set my sights on.
And I get by,
Singing this song to me.
So don't rewind,
Just push the slow button and release the sunshine.
Ya I get by,
Singing this song to me.

I found the ocean, I've got a plan.
From "making sandcastles" and "get me a tan."
Riding on buses and railway cars,
Don't care where I'm going, just get me far.

Leaving this morning, I've got to go.
I'm not so sure that I want you to know.

And I don't mind,
As long as there's a road that I can set my sights on.
And I get by,
Singing this song to me.
So don't rewind,
Just push the slow button and release the sunshine.
Ya I get by,
Singing this song to me.

And I don't mind,
As long as there's a road that I can set my sights on.
Ya I get by,
Singing this song to me.
So don't rewind,
Just push the slow button and release the sunshine.
Ya I get by,
Singing this song to me.
