Ooo ohh you can't look back girl,
Gonna catch a wave and smoke a little ganja.
Ooo ohh you can't look back girl,
Ooo ohh ohh ohh, ooo ohh ohh ohh.

Ooo ohh you can't look back girl,
Gonna catch a wave and smoke a little ganja.
Ooo ohh you can't look back girl,
Ooo ohh ohh ohh, ooo ohh ohh ohh.

Daddy's little secret, don't you know what you came
for?
And you notice where you are.
Daddy's little secret, don't you know what he came for?
And you notice where you are .

You won't be coming back there,
You won't be coming back there,
You won't be coming back there,
Before you go, before you run away.

You won't be coming back there,
You won't be coming back there,
You won't be coming back there,
Before you go, before you run away.

Ooo ohh you can't look back girl,
Gonna catch a wave and smoke a little ganja.
Ooo ohh you can't look back girl,
Ooo ohh ohh ohh, ooo ohh ohh ohh.

Ooo ohh you can't look back girl,
Gonna catch a wave and smoke a little ganja.
Ooo ohh you can't look back girl,
Ooo ohh ohh ohh, ooo ohh ohh ohh.

Daddy's little secret, don't you know what you came
for?
And you notice where you are.
Daddy's little secret, don't you know what you came
for?

And you notice where you are.

You won't be coming back there,
You won't be coming back there,
You won't be coming back there,
Before you go, before you run away.

You won't be coming back there,
You won't be coming back there,
You won't be coming back there,
Before you go, before you run away.
