See you come in through the radio,
And I know you won't let go.
And I know that you are over,
You better get it off.

Hear me come in through your radio,
And you know I won't let go,
'Till the day that you are over.

Nothing wrong than the way that you go on.
Nothing wrong than the way.
Nothing wrong than the way that you go on.

I feel, so alone.
Free fall!

Hear me come in through the radio,
And you know I won't let go,
And I know that you are over,
You better get it off.

Hear me come in through the radio,
And you know that I let go.
Until you know that you're over.

Nothing wrong than the way that you go on.
Nothing wrong than the way.
Nothing wrong than the way that you go on.

I feel, so alone.
And I feel, so alone.
And I feel, so alone.

Hear me come in through the radio,
And you know I will let go.
Until you know that you're over.
And than I get it off.

Hear me come in through the radio,
And you know I won't let go.
And I know that you are over.
