Show me where you wanna go,
We ain't scared 'till you wanna go,
We can sing and dance all night. Oh oh.

Show me where you wanna go,
We ain't scared 'till you wanna go,
We can sing and dance all night.

'N' I don't mind, where you go,
The way you talk to me, the way you go.

Show me where you wanna go,
We ain't scared 'till you wanna go,
We can sing and dance all night. Oh oh.

Show me where you wanna go,
We ain't scared 'till you wanna go,
We can sing and dance all night... Oh oh.

'N' I don't mind, where you go,
The way you talk to me, the way you go.

Show me where you wanna go,
We ain't scared 'till you wanna go,
We can sing and dance all night. Oh oh.

Show me where you wanna go,
We ain't scared 'till you wanna go,
We can sing and dance all night. Oh oh oh oh
We can sing and dance all night. Oh oh oh oh
We can sing and dance all night. Yeah.
