You Got To Spread, Spread
Spread Your Love Around
You Got To Spread, Oh Spread
Spread Your Love Around
All Of My People Think
The World Moves Too Quickly
Take Your Time And Open Your Eyes
Your Missing The Meaning Of Life
It Passes You By Like A Light
Going Out Like Candles At Dark
You Got To Spread, Spread
Spread Your Love Around
You Got To Spread, Oh Spread
Spread Your Love Around
Hopin This Song Finds You Well
Smiling Your Way Through It All
Don't Forget To Kiss Your Girl
At Times I Have To Regret
That Sometimes I Might Just Forget
The Meaning Of Life For Us All
You Got To Spread, Spread
Spread Your Love Around
You Got To Spread, Oh Spread
Spread Your Love Around
You Got To Spread, Oh Spread
Spread Your Love Around
You Got To Spread, Oh Spread
Spread Your Love Around
When The Times Get You Down
Look For A Friend To Call
Saving Memories Of Bad Times Aint Right
Pick Those Peices Up And Start Heading Straight First
For The Door
All Of My People Think
The World Moves To Quickly
Take Your Time And Go With Your Heart
You Got To Spread, Spread
Spread Your Love Around
You Got To Spread, Oh Spread
Spread Your Love Around
You Got To Spread, Spread
Spread Your Love Around

You Got To Spread, Oh Spread
Spread Your Love Around
You Got To Spread, Oh Spread
Spread Your Love Around
You Got To Spread, Oh Spread
Spread Your Love Around
