Shoulder, Wait And Stones
Smile For A While Pretend
Great And Wonderful
You don't Bend
Throw The World At Me
Shake Me Till I'm Falling Down
Staring Shamelessly
The Lesson That You Send To Me
Your Windy
Time And Time Again
Your Windy...
Pale But Colorful
Folding Up To Make A Blend
Dark And Cynical
Keep It Up
I'm Starting To Pretend
Throw The World At Me
Shake Me Till I'm Falling Down
Swim You Perfect Thing
You Perfect Thing
Until Your Gone
Your Windy
Time And Time Again
Your Windy
Time And Time Again
Your Windy
Time And Time Again
Your Windy...
