(Music and lyrics by Vargher)

I have lived a life in sin
For Him each day
Mirrored His image within
So that I may
Sit beside the throne of Satan,
the day I leave
To be His right hand
Lucifer, IÂ´ll never deceive

At the Gates of Hell
Forever bound by SatanÂ´s spell
At the Gates of Hell
Proud we stand, in the DevilÂ´s land

At the Gates of Hell
Forever bound by SatanÂ´s spell
At the Gates of Hell

I have felt Hell calling
Since the day I was born
Into the flames IÂ´ll be falling
To serve the Horned
Indulge in endless sin
Scorning the word
Followers of christ, suffer
Your screams are unheard
