Ooooh baby
Ooooh baby

I love the way you make me feel
It slows down time
Come in my bedroom and turn of the lights
You wisper softly in my ear
Makes me unwind
The way you touch me lets me know you're mine

****Chorus****

I'd rather be with you
'Cause I love the way you scream my name
And there's no other men to give me what I want
And makes me feel this way
I'd rather de with you
'Cause you hustle hard
To take care of me
I'd rather be with you
Boy I'd rather be with you

I love the way you look at me
Staring to my eyes
What do they say to you
Boy don't be shy
Tonight's the night your fantasies
Will all come true
I am your woman
I belong to you

There is nothing
I won't do for you
I know my soul connected me to you
I feel so safe when I'm alone with you
I'm holding back nothing
Saving it all for you
Baby I love makin' love to you
It's like a high
I can't come down from you

****Chorus****

c-lyn.
