[Slim Thug]

You need to stop playing round with all them clowns
and the wangstas
Good girls gotta get down with them gangstas
Go head girl put some back and some neck up on it
While I stand up in the background and check up on it

[Chorus]

Ohh Boy you looking like you like what you see
Won't you come over and check up on it, I'm gonna let
you work up on it
Ladies check up on it, watch it while I check up on it
Dip it, pop it, twerk it, stop it, check on me tonight

If you got it, flaunt it, boy I know you want it
While I turn around you watch me check up on it
Oohhh you watchin me shake it, I see it in ya face
Ya can't take it, it's blazin, you watch me in amazement
You can look at it, as long as you don't grab it
If you don't go braggin, I'ma let you have it
You think that I'm teasin, but I ain't got no reason
I'm sure that I can please ya, but first I gotta read you

[Chorus]

Ohh Boy you looking like you like what you see
Won't you come over and check up on it, I'm gone let
you work up on it
Ladies check up on it, watch it while I check up on it
Dip it, pop it, twerk it, stop it, check on me tonight [x2]

I can tell you wanna taste it, but I'm gone make you
chase it
You got to be patient, I like my men patient
More patience, you take might get you in more places
You can't be abrasive, have to know to pace it

If I let you get up on it, you gotta make a promise
That you gone put it on me, like no ones put it on me
Don't bore me, just show me, all men talk but don't
please
I can be a tease, but I really wanna please you

[Chorus]

Ohh Boy you looking like you like what you see
Won't you come over and check up on it, I'm gone let
you work up on it
Hey Ladies check up on it, watch it while I check up on it
Dip it, pop it, twerk it, stop it, check on me tonight [x2]

[Bun B]

I'm checking on you boo, do what chu do
And while dance I'ma glance at this beautiful view
I'm keep my hands in my pants, I need to glue em w/
glue
I'm in a trance all eyes on you and your crew
Me and my mans don't dance, but to feel ya'll bump
and grind
It won't hurt if you gone try one time
They all hot, but let me see this ones mine
It's slim thug and DC outta H town

[Chorus]

Ohh Boy you looking like you like what you see
