I remember when you use to take me on a
Bike ride everyday on the bayou (You remember that?
We were inseparable)
And I remember when you could do no wrong
You?d come home from work and I jumped in your
arms when I saw you
I was so happy to see you (I was so excited, so happy to
see you)

Because you loved me I overcome
And I?m so proud of what you?ve become
You?ve given me such security
No matter what mistakes I make you?re there for me
You kill my disappointments and you heal my pain
You understood my fears and you protected me
Treasure every irreplaceable memory and that?s why?

I want my unborn son to be like my daddy
I want my husband to be like my daddy
There is no one else like my daddy
And I thank you for loving me

I still remember the expression on your face
When you found out I?d been on a date and had a
boyfriend
My first boyfriend, you should have seen your face)
I still remember I caught you crying cause of my tattoo
Could have said Beyonce I told you so
Instead you said you?d get one too (Even my mama
said y?all get one just like mine)

Words can?t express my boundless gratitude for you
I appreciate what you do
You?ve given me such security
No matter what mistakes I make you?re there for me
You kill my disappointments and you heal my pain
You understand my fears and you protected me
Treasure every extraordinary memory and that?s why?

I want my unborn son to be like my daddy
I want my husband to be like my daddy

There is no one else like my daddy
And I thank you for loving me

Even if my man broke my heart today
No matter how much pain I'm in I will be okay
Cause I got a man in my life that can't be replaced
For this love is unconditional it won't go away
I know I'm lucky
Know it ain't easy
For men who take care of their responsibilities
Love is overwhelming
Can't help my tears from falling
I love you so much daddy

(Thank you, you've done so much for me. I love you
daddy.)

I get so emotional daddy, every time I think of you
I get so emotional daddy, every time I think of you
There is no one else like my daddy
No one else replace my daddy?
