Baby I love you  
You are my life  
My happiest moments were incomplete if you weren't  
by my side  
You're my relation  
In connection to the sun  
With you next to me, there's no darkness I can't  
overcome  
You are my raindrops  
I am the seed  
With you and God, who's my sunlight I'll bloom and  
grow so beautifully  
Baby I'm so proud, so proud to be your girl  
You make this confusion go on away from this cold and  
mixed-up world

-Hook-  
(I'm) I'm in love with you  
You set me free  
I can't do this thing called life without you here with me  
cause I'm  
Dangerously in love with you  
I'll never leave  
Just keep lovin' me the way I love you lovin me  
(Repeat)

And I know you love me  
Love me for who I am  
Cause years before I became who I am, baby you were  
my man  
I know it ain't easy, easy lovin me  
But I appreciate the love and dedication from you to  
me  
Later on in my destiny  
I see myself having your child  
I see myself being your wife, and I see my whole future  
in your eyes  
Thought of all my love for you, sometimes makes me  
wanna cry  
Cause I realize all my blessings, I'm grateful to have  
you by my side

-Hook-

(I'm) I'm in love with you  
You set me free  
I can't do this thing called life without you here with me  
cause I'm  
Dangerously in love with you  
I'll never leave  
Just keep lovin' me the way I love you lovin me  
(Repeat)

-Bridge-

Everytime I see your face  
My heart smiles  
Everytime it feels so good, it hurts sometimes  
Created in this world to love, to hold, to feel, to breath,  
To live you Dangerously in love...

Hook

(I'm)cuz I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
cause I'm  
Dangerously in love with you  
I'll never leave  
Just keep lovin' me the way I love you lovin me  
(Repeat)
