[Beyonce]

I live my life to the fullest
Party every chance I get
Friday nights, "The Spot" is the place I hit
Decked out, chest out
Me and my girls roll up in "The Spot" like we own the
world
You should see the eyes on me, dress fittin' like a prize
on me
High split , fellas get the rise on me
Just from the looks of it , I must say
You're bound to get hooked on it, if you play

[Mekhi]

Your optimistic for someone goin to jail

[Beyonce]

Would you stop bein' so damn stale
I know you gotta girl but damn dont you wanna see new
things
Security shouldn't purchase a ring

[Mekhi]

So why you lookin at me like that?
Like what you say is true?

[Beyonce]

I know your type I see through you

[Mekhi]

Oh yea? What you see??
Cause I love my girl it's not about security I give her the
world
Shes down for and always has been

[Beyonce]

And I would be, too, if I was your girlfriend
But I'm not
I even take you too "The Spot", bring sand to the
beach, keep you on a leash,
I know how thirsty these chicks could be
Schemin and plottin on you, like me

[Mekhi]

Listen, you a little too hot for a guy like me
You and I are unlikely
My girl is more like me she just cool, you know?
Not a risk-taker she just goes with the flow

[Beyonce]

Shes wack You need a little spice in ya life
Live a little you'll see what you want in a wife is in me
I'm tellin you its like gold,
Hard to let go, Harder to hold
I'll dance with you slowly, too a hip-hop joint
And only stop on a positive, you got the point?

[Mekhi]

I dont dance, I dont drink I dont like clubs I'm not
impressed
I dont smoke, only scrubs go to different places and
fall for pretty faces,
To me, ya'll are all basic

[Beyonce]

And your life is wasted,
Thats why you're a cop
You never got to taste it if you had one drop,
You wouldn't go back
I'll prove it to you,
Come out with me tonight, that'll do it for you
