2011, let's move!  
Take your hands down!  
Take your hands down!  
Take your hands down!  
Take your hands down!  
Jump, jump, jump!  
Jump, jump, jump!  
Jump, jump, jump!  
Jump, jump, jump!

Mission one, let me see you run,  
Put your knees up in the sky  
'Cause we just begun!  
Hey! hey! hey!  
Mission two, this is how we do,  
... to the right... let that smooth!  
Hey! hey! hey!  
Mission three, hey, Can you dougie with me,  
Throw your own little swag on this Swizzy beat  
Mission four, are you ready for more,  
Jump up, jump up,  
Take your feet of the floor!  
Hey! hey! hey!

I ain't worried doing me tonight  
A little sweat ain't never hurt nobody  
Don't you stand there on the wall  
Everybody, just move your body,  
Move your body, move your body,  
Move your body, move your body!  
Everybody, get to move your body!  
Everybody, get to move your body!  
Everybody, get to move your body!

Can you get me bodied  
I wanna be myself tonight  
Can you get me bodied  
I wanna be myself tonight  
Don't you see my body?  
I want to let it out tonight  
Wanna party, wanna dance,

Wanna be myself tonight, hey
