Come take my hand  
I wont let you go  
I'll be your friend  
I will love you so deeply  
I will be the one to kiss you at night  
I will love you until the end of time

I'll be your babe  
Promise not to let me go  
Love you like crazy  
Now say you'll never let me go

Say you'll never let me go  
Say say you'll never let me go  
Say you'll never let me go  
Say say you'll never let me go

Take you away from here  
There's nothing between us but space and time  
I'll be your own little  
Star let me shine in your world  
I'll be your own little universe  
Babe your girl

Come take my hand  
I wont let you go  
I'll be your friend  
I will love you so deeply  
I will be the one to kiss you at night  
I will love you until the end of time

I'll be your babe  
Promise not to let me go  
Love you like crazy  
Now say you'll never let me go

Say you'll never let me go  
Say say you'll never let me go  
Say you'll never let me go  
Say say you'll never let me go

Babe let me be the one  
To show you that I really love you  
Cuz I wanna be the one to love you babe lets go(go)  
Babe lets go

I wanna survive  
In this loving that you giving  
I aint frontin  
Can you just let me love you babe from head to toe  
Babe lets go

Boy come to me(come to me)  
Let me turn your rain into sun(let me love you babe)  
You don't have to worry(no no)  
I wont let my love fade(no no)  
Allow my love into your soul... (1... 2... 3...)

I just wanna love you  
I just wanna be with you

I will love you until the end of time

Promise not to let me go  
Love you like crazy  
Now say you'll never let me go

Say you'll never let me go  
Say say you'll never let me go
