Come take my hand
I won't let you go
I'll be your friend
I will love you so, deeply
I will be the one to kiss you at night
I will love you until the end of time

I'll be your ba-by
And I promise not to let you go
Love you like cra-zy
Now say you'll never let me go
Say you'll never let me go (say)
Say you'll never let me go
Say you'll never let me go (say)
Say you'll never let me go

Take, you away, from here
It's nothing between us but space, and time
I'll be your own little star that'll be shining you up
Or your own little universe making your girl

Come take my hand
I won't let you go
I'll Be your friend
I will love you so, deeply
I will be the one to kiss you at night (at night)
I will love you until the end of time

I'll be your ba-by
And I promise not to let you go
Love you like cra-zy
Now say you'll never let me go
Say you'll never let me go (say)
Say you'll never let me go
Say you'll never let me go (say)
