I see the light of a newborn day
from my mind's wrong side right on
in my home sweet cage
and unlike my thoughts I never think too much
I've boiled them in a coffee pot I've hung them
on a wonderwall - because

saying goodybye to a broken heart will
let the sunshine break free
trough all the things taht you wanted me to be

you see the light of a newborn day
from your bed's right side in you mind sweet cage
and you're like your thoughts
you just think too much yuo wanna give up
so yuo go go go go-go-go
where tou don't know where - because

saying goodbye to a broken heart will
let the sunshine break trough
all the things that you wanted me to do

I wanna make you
I'm gonna make you stand!
over and forever again
I wanna make you... no
I'm just gonna let you go... oh no!

...yeah...

saying goodbye to a broken heart will
let the sunshine break free
saying goodbye to a broken heart like me

I wanna make you,
I'm gonna make you stand!
over and forever again
I wanna make you always feel the same

I wanna make you
I'm gonna make you stand!
over and forever again

ilwanna make you.. no
I'm just gonna let you go.. oh no!

stand! over and forever again... you
stand! over and forever again... you
stand! over and forever again
