[Twins Spirits Choir]
Here We Are !
Here We Are Ready To Go !

[Genius]
Here I Am !
Standing On My Desk
What A Strange View I Can See

I Know That
I'm Not Allowed Here
But I Am So Amazed
I'll Know All About

Dreams !
I'm The Only Human That Will See
What's There Behind
All Their Great Fantasies
Dreams !
I'm The Only One That Will Know How
There Are Being Released

[Twins Spirits Choir]
Here We Are !
Here We Are Ready To Go !

[Genius]
So Ecited
Staring At These Stuffs
I Can't Really Understand

I See My Friend
Worried About My Presence
But I Am So Amazed
I'll Know All About

Dreams !
I'm The Only Human That Will See
What's There Behind
All Their Great Fantasies
Dreams !

I'm The Only One That Will Know How
There Are Being Released

I Am So Happy And Bright
'Cause I'm Going To Fly !
Fly Away
Trough All Those Minds
I'll Be The Master Of All Their

Dreams !
No I Wil Have No More Doubts
About The Making Of
All Their Great Fantasies
Dreams !
I Just Hppe That No One Will Stop This
Great Amazing Trip !

[Storyteller]
Meanwhile, a tribal beat was pounding from the
kingdom's shores. Then, a great procession of people
dressed in vivid colours came to the twin spirits' sight.
The ground was trembling to the joyful march of King
Wild Tribe and his subjects. King Mc Chaos was really
glad to see his old friend again]
