[Twin Spirit N. 32]

I'm So Sad !

There's No Point In Living Anymore

My Nature Has Been Twisted By

Your Presence In This Unreal World

And I Wish I Never Existed

I'm So Tired !

How Long Will This Hard Challenge Last

I Wish You Had Reminded

[Twin Spirit N. 32 & Main Choir]

Where The Human Live

Far Away From Here !

Where The World Is Real

Far Away From Here !

[Twin Spirit N. 32]

Here We Are !

Still Fighting For Him, Here We Are !

Still Trying To Believe That There Are

More Chances To Save Our Prince

But In My Heart

I Feel That The End Is Not Too Far

I Wonder If This Could Have Been Avoided

I Wish You Had Reminded

[Twin Spirit N. 32 & Main Choir]

Where The Human Live

Far Away From Here !

Where The World Is Real

Far Away From Here !

Away From Fears !

Away From Tears !

Where The World Is Real

Far Away From Here !

[Twin Spirit N. 32]

I Feel The End Is Not Too Far...

I Feel The End Is Not Too Far...

I Feel The End Is Not Too Far...  
I Feel The End Is Not Too Far...  
I Feel The End Is Not Too Far...  
I Feel The End Is Not Too Far...  
I Wish You Had Reminded

[Twin Spirit N. 32 & Main Choir]  
Where The Humans Live  
Far Away From Here !  
Where The World Is Real  
Far Away From Here !

Away From Fears !  
Away From Tears !  
Where The World Is Real  
Far Away From Here !

[Oddyfer]  
He Was Reclused In Our Secret Prisons  
Tell Me How He Has Escaped !  
I Want Some Answers From You Right Now  
Tell Me How He Has Escaped !  
The Control Of Our Guardians  
Tell Me How He Has Escaped !

[Oddyfer Guardian]  
Sorry Sir ! We Don't Know Much !  
Someone Has Helped The Human To Escape !

[Oddyfer]  
All My Dreams Of Glory And Fame  
Are Dying Because Of This Mistake !  
I'll Give You Just Another Hour  
To Take Him Back To Jail !

[Genius]  
Look There ! That Is The Oak  
She Was Telling Me About  
[Twin Spirit N. 32]  
The Entrance Should Be Over There !

[Main Choir]  
Look Over There ! The Entrance Should...  
Look Over There ! The Entrance Should...  
[Twin Spirit N. 32 & Genius & Main Choir]  
Yeah ! It Should Be Over There !

[Twin Spirit N. 32]  
So We've Reached This Ancient Oak  
But I Can't See Any Kind Of Door !  
[Genius]

We Must Search Around This Place !  
I Believe What She Has Said !

[Twin Spirit N. 32]  
Genius, Please ! We're Not Sure !  
All The Things She Said To You  
May Not Be True  
We Just Can't Know...  
So She's Helped You A Lot  
But I Don't Think That  
She Could Possibly Know Where  
The Prince Is !

[Genius]  
I Have Seen Thorough Her Eyes  
She Was Telling Me The Truth ! I Am Sure !  
Hey My Friend ! Oh My God !  
Look At That ! Look At That ! Look At That !  
I Understand ! Look At My Hand !  
It's Now Entering Through The Oak Cortex

[Twin Spirit N. 32] I Am Pass Through With My Hand Too  
!

[Genius] This Tree Must Be Just An Image  
[Twin Spirit N. 32] It Could Be A Secret Passage !  
[Genius] This Must Be The Entrance To Asian Stores !  
[Genius & Twin Spirit N. 32] Let Us Jump Inside !  
Together !

[Genius & Main Choir] Look ! There Are  
[Genius] The Stores That She Was Telling Me About !  
[Twin Spirit N. 32 & Main Choir] Look ! There Are  
[Twin Spirit N. 32] The Stores Where  
The Little Prince Has Been Sent !  
[Genius & Main Choir] Look ! There Are  
[Genius] The Stores That She Was Telling Me About !  
[Twin Spirit N. 32] Now We Just Have To Find Out  
Which Is The Right One

[Genius & Main Choir] We Just Hope To  
[Genius & Twin Spirit N. 32 & Main Choir] Be In Time To  
Save The Prince's Life !

[Stooryteller]  
The two friends finally found the old oak. It was only a  
three dimensional image that concealed the secret  
entrance to the Asian stores. They passed through the  
old oak image and cross the threshold into a wide  
underground space filled with infinite warehouses.  
They knew that the european prince was being kept in  
an Asian toy's warehouse but... which of all these stores  
was the right one ? Time wasted away; there was little

of it left and they had to find the prince as soon as possible ! Will Genius and Twin Spirit N. 32 fail to find the toy's warehouse where the prince will be used as a fantasy for a dream creation and then destroyed ? Or, will they find him beforehand, just in the nick of time ?  
To be continued !
