[Genius]
Tell Me Please My Dear Friend
I Can't Understand
You Told Me This Is A Dream
Why Are You So Strained ?
[Twin Spirit N. 32]
You Don't Know What's Gioing On
It's Really Dangerous !
Anyone Before You
Has Been Where You Are !

I Know You Are Unaware
But I'll Tell You I'm Afraid
I'm Afraid

[Genius]
All This Tools It's So Cool
But Nothing Seems To Work
Teach Me Please
Tell Me How To Turn On This Device !
[Twin Spirit N. 32]
Please Don't Touch The Controls !
You Are Not Allowed
You Don't Have The Experience
For Using That Console

I Hop That No One Will Notice That
And I'll tell You I'm Afraid
I'm Afraid
Genius I'm Afraid

I Have A Bad feeling Of This,
And I'll tell You I'm Afraid
I'm Afraid

I Hope That No One
Will Know Who You Are
You Can't Imagine In What A Mess
Surely Mc Chaos Would Go By
Genius I'm Afraid !

[Maindram]
There's No Time Left
We Must Act !
We Have No Choice About To Save
The Mc Chaos Family !
[Dream League Force Choir]
You're Under Arrest !
Don't Make Resistance !
Come With Us !
Don't Ask Why !
Where's Your Son ?
We Don't Have Time !
[Mc Chaos]
Let Him Sleep
Please Take Me !
I Won't Resist
Please Take Me !
He's Not To Blame
Don't Take Him Away !
[Dream League Force Choir] Come With Us !
[Mc Chaos] Please Take Me But Let Him Stand !
[Dream League Force Choir] Don't Ask Why !
[Mc Chaos] I'm Sure That Must Be A Mistake
[Dream League Force Choir] Come With Us !
[Mc Chaos] But Where's He Going To Be Led ?
[Dream League Force Choir] Don't Ask Why !
We Don't Have Time !
[Mc Chaos]
I Can't Explain !
What A Shame !
Please Take Me !
But Let Him Stand
He's No To Blame
Don't Take Him Away !
[Maindram]
There's No Time Left !
Take Away His Son !

[Twin Spirit N. 32]
I'm Hearing Voices All Around
They've Arrested King Mc Chaos
I Am Their Second Target Now
I'll Be Terminated Soon !
[Genius] What Are We Going To Do ?
[Twin Spirit N. 32 & Twin Spirits Choir] Now They Know
[Genius] What Are We Going To Do ?
[Twin Spirit N. 32 & Twin Spirits Choir] Now They Know
[Genius] I Guess You're Telling Me
[Twin Spirit N. 32] It Is Time
[Genius] Now It's Time
[Twin Spirit N. 32 & Genius] To Be Afraid !

[Storyteller]

A cold tremor shook across the Twin Spirit Land, the news of King Mc Chaos' arrest spread quickly among the twin spirits, and their hearts filled with fear. They all loved so much their king. In the meantime, the Dream League's Force entered the Twin Spirit Land and started to search for Twin Spirit N. 32. Will the two friends solve all these troubles ? To be continued...

[S, the sentence was carried out to the end. Mc Chaos was imprisoned and his son was sent to the toy's warehouse in the Asian dreams kingdom. He would have been destroyed after acting once as a fantasy in a dream. Genius was finally realizing that his presence was really causing serious problems to the European Dream Kingdom and especially to King Mc Chaos family. The two friends had to find a way to escape quickly from the Twin Spirit Land and find a solution ! Was there for a possibility for them to demonstrate the innocence of Mc Chaos King ? Did they find the way to save his son ? Did the Dream League Force catch Twin Spirit N. 32 and terminate him before Genius awake ? Once awoken, did Genius remember all the secrets he learnt in his dream ? Well, see you on the next episode ! And remember...If happens to you to hear a strange irregular clock sequence, be carefull ! You could cause some serious problems !]
