London's calling and I'm still yawning
but I can't do more
than what i'm doing about it
I just do what I'm doing

London's calling and I'm still yawning
but I can't think more
than I've been thinking about it
so I sing what I'm singing

london's calling and I'm still yawning
but I cant do more than what I did

you gotta take me
c'mon and shake me
you gotta love somebody
to be free

you gotta hey hey
c'mon and please stay
you gotta love me
and show me the right way

London's calling and I'm still yawning
but I can't do more
than what I'm doing about it
I just do what I'm doing

London's calling and I'm still yawning
but I cant' think more
than I've been thinking about it
so I sing what I'm singing

London's calling and I'm still yawning
but I cant do more than what I did

you gotta take me
c'mon and shake me
you gotta love somebody
to be free

you gotta hey hey

c'mon and please stay
you gotta love me
and show me the right way

shame on yourself
be ashamed of yourself
for shame shame shame shame...!

london's calling and I'm still yawning
but I cant do more than what I did

take me
c'mon and shag me
you gotta love somebody
to be free

you gotta hey hey
this is a new day
you gotta love me
and show me the right way

shame on yourself
be ashamed of yourself
for shame shame shame shame...!
