Once upon a time
in a peace land
on my hand
There was just
a lonely person
crying to the moon.
As the moonlight can tell.....

Nothing in the world
can touch you
can call you
can harm you
as long as i'am here

Fed my eyes with lies
Fill my heart inside
Break my trust again
hate will just reign
isn't that enough?
yes it is
isn't that enough?
yes it is

isn't that enough?
yes it is

Welcome to my world
with scaring dreams
take my rose
with the razor petals
lose control
till it let us

no more
no more
play with me no more

time and time again
till hold you
time and time again
till love you
time and time again

will not hate you
time and time again
lullaby for a princess
