Walk on water,
Break the bread.
It's after 12,
So come to bed.

Of all the lovers,
Here in my room.
You are the best,
So come back soon.

Say hello to the father and the holy ghost.
Hello to the father and the holy ghost.
Hello to the father and the holy ghost.
You're the one I love the most.

You're 100% Jesus!
You're 100% Jesus to me!
You're 100% Jesus!
You're 100% Jesus to me!

The religion
Can be this strong.
I want the nights
To go on and on.

Of all the lovers,
Here in my room.
You are the best,
So come back soon.
