If the world turned against you,  
I would stand by you and fight.  
For you, I would crawl through fire.  
For you, I'd lay down my life.  
So if you ever lose all hope and you've fallen to your  
knees,  
I need you to remember.  
You'll always have me.

(Chorus)

Yeah, you'll always have me  
And you'll always have my love.  
And if you find it hard to breathe,  
I'll be the air that fills your lungs.  
'Cause you can lose your faith,  
You can lose your hope,  
And you can lose your dignity.  
But there's one thing you can count on,  
Yeah you'll always, you'll always, you'll always, you'll  
always, you'll always have me.

I can still remember,  
The first time I saw your face.  
'Cause baby when I saw you smile,  
I knew I'd never be the same.  
And even though sometimes we struggle,  
And sometimes we even scream,  
I'm gonna stand by you forever.  
Yeah, you'll always have me.

(Chorus)

Times of pain in time of grief (you'll always have me)  
In times of tears when you don't believe (you'll always  
have me)

(Chorus)

Yeah, you'll always have me, ohhh ohhh.  
You'll always have me ----, yeah.  
Always have me.
