He's got a way with me
I don't know what it is
Oh, but he's got a way with me
I can't get over this
He's always begging me
Telling me not to go
Oh, he's always begging me
But I always tell him no

Tell me how long can I keep this up
Tell me how to turn away his love
I don't know why
He won't let me be
I can't control it
I still can't believe
No matter what I do
He's still here through it all
He's got a way with me

He's a lot for me
But I still need something more
Oh, he's got a lot for me
But it's everything I've seen before
He's trying to change for me
He thinks he can do no wrong
Yeah, he won't give up on me
He's been trying for so long

Oh tell me how long can I keep this up

Tell me how to turn away his love
I don't know why
He won't let me be
I can't control it
I still can't believe
No matter what I do
He's still here through it all
He's got a way with me

It's something I can't control
Even though I try
He's making me crazy

With all his lies

So tell me how long can I keep this up
Tell me how to turn away his love
I don't know why
He won't let me be
I can't control it
I still can't believe
No matter what I do
He's still here through it all
He's got a way with me

Yeah, yeah, yeah
He's got a way with me
Don't you know he's got a way with me
Yeah, yeah yeah
Oh, he's got a way with me
Yeah, yeah
