You have come to the table of my soul.
Thank you oh Lord for the mercy You've shown.
What You took You have given back to me.
So I pour out the oil of my dreams.
As the tears start to fall I am bathing your feet,
Filling this house with the fragrance of your peace.
I bow down to the ground.
My hair spills all around.
I am kissing your feet.
I am wiping them dry because I believe that

You deserve to receive all of my love.
Anything less Lord would not be enough.
I'll lavish you Lord with all I have received.
I'll spend my whole life to anoint You as king.

They say 'Why are you wasting this gift?
Just think of the good you'd have done
If you sold it serve all the poor souls in this world.'
Father forgive for they know not what they say.
Worthy are You, lamb of God that was slain,
To receive power and riches, wisdom and strength.
I fall down at your throne, longing for You alone.
Singing 'Holy holy, God should be given all of the
glory.'

You deserve to receive all of my love.
Anything less Lord would not be enough.
I'll lavish you Lord with all I have received.
I'll spend my whole life to anoint You as king.

Now Lord I sit at Your feet.
You say the better part's given to me by your love, by
your generosity.
She's done a good thing for me.
My time on earth is but a blink of eternity,
But the souls of the just shall live forever in peace.
They'll remember this story.
You will be given a crown of glory.
In memory of what you've done the story will go on and
on.

You deserve to receive all of my love.
Anything less Lord would not be enough.
I'll lavish you Lord with all I have received.
I'll spend my whole life to anoint You as king.
